The Honorable
Henry Kissinger
Secretary of State
Washington, D. C.

Dear Mr. Secretary:

In response to Mr. Robert McCloskey's letter to me dated July 22, arrangements were made for the staff of the Subcommittee on Multinational Corporations to obtain information about the activities of Mr. Tongsun Park from the State Department's files.

In the course of a lengthy conversation with the Office of the Legal Advisor, our staff was informed that the file itself could not be made available and that its contents were so extremely sensitive that they could not be divulged to the Committee in detail. Very serious questions have been raised in connection with Mr. Park's activities and matters related to the Korean rice trade which make it most important that your files on this subject be made available for our inspection.

We ask that you change the Department's position in this matter and give us direct access to the files so that we may proceed with our investigation.

Your cooperation is appreciated.

Sincerely,

Frank Church
Chairman, Subcommittee on
Multinational Corporations
